2010-2011 Volunteer Opportunities

(Please check your areas of interest, so that we may contact you.)

- **Junior Patrons:** Volunteers introduce children (ages 3-13) to Coastal Youth Ballet Theatre through special matinee performances of *The Nutcracker* and other child-friendly ballet performances. Such performances are followed by a Green Room “Meet and Greet” with the cast members and a backstage tour. Volunteers assist at Green Room and backstage.

- **“Nutcracker Fair” Volunteers:** This two-day shopping extravaganza will be held on November 27 and 28 at the Market Common. This inaugural event will have about 50 merchants, and encompasses special social and fundraising events. Coastal Youth Ballet Theatre volunteers will be asked to man the CYBT Nutcracker Ticket Sales booth, the CYBT Nutcracker Boutique and the CYBT Cookies and Hot Chocolate /Apple Cider booths. Volunteers are essential to the Nutcracker Fair’s success. Shifts are approximately three hours and include free *Volunteer Staff* t-shirts.

- **Student Matinee:** Coastal Youth Ballet Theatre offers schools the opportunity to attend a matinee performance at a discounted rate. Participating schools receive a set of performance programs specifically designed for elementary and middle school students. Volunteers are needed to help usher students into the theater. The performances last for approximately two hours, making the total time commitment 4 to 4.5 hours total. All volunteers are invited to watch the performance if seating is available.

- **In - Studio Events.** Volunteers are needed to usher, help with refreshments / snacks, set-up /clean up during / after In-Studio-events.

- **Nutcracker Boutique:** Throughout the Nutcracker Ballet performances, volunteers staff the booth at the “*Nutcracker Fair at Market Common* and at the *MBHS Music and Arts Center* where Nutcracker/ballet-related items are sold
